## Purcari Freedom Blend

Stands for the free spirit. A courageous blend, full of character, made out of three indigenous grapes:

Rara Neagra (Moldova), Bastardo (Ukraine) and Saperavi (Georgia).

Symbolically, 2011, the year when these three countries celebrated the 20th anniversary of their independence, blessed us with an exceptional harvest, so that we can offer you a truly special wine.

It is a limited edition to celebrate the courage and free spirit, values that define Purcari Winery since 1827.
